

PREFERRED CORPORATE HOUSING

Corporate Housing Solutions

Preferred Corporate Housing's network of preferred communities encompasses virtually anywhere our clients need to travel in the United States. PCH leases premium residential apartments, adds our signature furnishings and services, and sublets the units to our guests. We select from only the best and most modern apartments in every market. PCH specializes in custom tailoring these apartments to meet the specific needs of our clients and guests.

Each furnished apartment with Preferred Corporate Housing is made to feel like home. We understand the challenges of extended assignments, and in turn, want each of our guests to feel like they are at home, even if home is 2,000 miles away. By thoughtfully appointing each of our furnished apartments with upscale furniture collections, comprehensive housewares packages, all utilities, local telephone service and cable television, Preferred Corporate Housing brings you the comforts of home - where hotels and other extended stay providers fall short.

PCH Furnished Apartments Include:

- Premier properties in over 6,000 cities
- All utilities prearranged and included
- Local telephone service with long distance option
- Expanded Cable TV and high speed Internet available
- Comprehensive houseware packages which include dishes, appliances, cookware and linens
- Most apartments include assigned parking spaces with optional garages and covered parking
- Fitness and business facilities available at most properties
- Housekeeping services available upon request

Account Management Tools:

Preferred Corporate Housing is the only temporary housing company that provides customers with a suite of comprehensive tools to manage their temporary housing needs. Our corporate clients are provided with their own dynamic temporary housing portal into our proprietary software solution which acts as a gateway for initiating, tracking and managing their company's corporate housing needs and inventory.

Clients are able to view in real time:

- Every corporate housing request submitted to PCH and its current status
- Your company's entire housing inventory nationwide, including individual unit information (i.e. resident name, unit details, date of proposed move-out, etc.)
- Online billing information including viewing and printing invoices and receipts
- The ability to submit maintenance requests online
- The ability to check if notice has been given on each unit, and the option to give notice online

Centralized Account Team

Preferred Corporate Housing handles all housing requests and management of housing inventories from one central location, streamlining office communications and improving response times. Each client works with their own Dedicated Account Team for all aspects of their corporate housing experience. The Account Team provides one point of contact for locating and securing nationwide housing as well as addressing all customer service requests.
